

# The LAZ Difference is

Max

Max - Project Manager  
Chicago, IL

Max IS Hospitality. With a degree in Hotel Management, he “temped” at LAZ to gain experience and connections from our hundreds of hotel and restaurant clients.

He helped run our operations at a prestigious global chain’s largest hotel. With 450,000 annual vehicle movements and 200,000 square feet of meeting space to handle, Max became a LAZ Superstar.

But because our mission is to “Create Opportunities for our Employees”, we offered to find him a job outside of LAZ with one of our hotel clients.

Max said “No Thanks”. We were thrilled. Today he manages six LAZ properties, doubling one client’s NOI in just a year.

When asked what he does for a living, Max says “Hospitality, sales, HR, accounting - no day is ever the same.” We just think he’s what sets LAZ Parking apart from any other company.

The LAZ Difference is Max.
