We bring the LAZ Way from  
the curb to the table.

We strive for a seamless, all-inclusive guest experience, from the moment they arrive to the moment we wish them a fond farewell (and everything in between). Whether our clients and guests are being greeted by one of our dedicated valet ambassadors or being served by our well-trained banquet staff, we are able to offer a familiar face from event start to finish. We believe this continuity across all positions is paramount as you look to reopen your hotel. This is why our teams are fully-insured, solely dedicated to your property and cross-trained to switch from front drive to inside, whether it be as a Banquet Manager or a Housemen.

We have partnered with a well-respected hotelier to assist in the development of a comprehensive onboarding and training program which includes the following positions\*:

- + Banquet Manager
- + Supervisors
- + Housemen
- + Servers
- + Bartenders
- + Cocktail Servers

Our national footprint (37 states and over 440 cities) gives us the man power and scalability to staff events of any size.
