

PUT YOUR CAREER IN DRIVE

HIGH DEMAND INDUSTRY

Cars spend an incredible 95% of their time parked. Parking is a multi-billion dollar industry that hires, trains and promotes the best and brightest from all fields including hospitality, property management, real estate, finance, sales, customer service and maintenance.

EXCITING MARKET LEADER

With thousands of locations and dozens of offices across the country, LAZ Parking is one of the largest and fastest growing parking operators in the United States. LAZ is at the forefront of the business world, using technology, training, efficiency and advanced processes to deliver exceptional customer service every day.

PEOPLE FIRST CULTURE

Most importantly, LAZ is a PEOPLE FIRST company. Our mission is to “create opportunities for our employees and value for our clients.” Joining LAZ not only has you working with an incredible team of people, but there are endless chances to grow, change, move and experience LAZ across the nation.

LAZ UNIVERSITY

LAZ University is a best-in-class professional development program where employees learn real-world skills while improving their day-to-day job performance.

As part of “creating opportunities for our people,” LAZ University helps members of the LAZ family grow as leaders in their current role or any career path they may choose to follow in the future.

Designed for the twenty-first century learner, LAZ University’s Learning Center gives LAZ employees on-demand access to more than 150 courses, classes and activities, from orientation and basic classes, to advanced management courses.

“LAZ University courses help strengthen our team, not only to become better leaders, but to share best practices across all LAZ regions.”

Nick, Manager
